Hourly Add-Ons (For Custom or Complex Projects)

An hourly rate will be charged for anything outside the package scope, such as:

- Additional revisions
- Custom trade sourcing or procurement
- Follow-up support during installation

Your design package covers all concept creation, sourcing, and layout deliverables. The furnishings and décor budget you choose will be used for purchasing directly through the recommended retailers using your custom shopping list.

**Pricing is for reference only; final terms – including pricing, change orders, photo usage rights, and liability – will be outlined in a signed proposal and contract before any design begins*
